**Price: \$18.80**

## Description

*Syzygium aromaticum* Aside from its culinary uses, Clove is used for upset stomach, and as an expectorant. Expectorants make it easier to cough up phlegm. Also used for diarrhea, hernia, and bad breath. Clove and clove oil are used for intestinal gas, nausea, and vomiting.

For pain Clove Oil can be applied directly to the gums for toothache, for pain control during dental work, and for a complication of tooth extraction called "dry socket." It can also be applied to the skin as a counterirritant for pain and for mouth and throat inflammation.

Other uses are antiaging, antibacterial, anticlotting, antifungal, anti-inflammatory, antimicrobial, antispasmodic, antioxidant, antiseptic, antiviral, carminative, expectorant, insecticide, stimulant. Used with caution because too much may be toxic.
